

SevenStars

セブンスター

1. RARITY

There are only 777 stars ...
Do you own one?
SevenStars cigarettes ...
have you smoked one?

2. DIVINITY

777 REPRESENTS LUCK, DIVINE PROTECTION, AND INTUITION.
777 NETWORK ANGELS, THE SACRED ENERGY OF 777.
WE BURN TOBACCO INFUSED INCENSE TO WARD OFF EVIL SPIRITS.
WE DISTRIBUTE BLESSINGS THROUGH YOUR SCREEN,
PACKAGED AS 777 INDIVIDUAL STARS.
WE CAN GO STAR FOR STAR, CAN YOU ?

No Pain, No Gain
★★★★★★★★

3. LONGEVITY

These stars are the first step in forming a cult of finance
on the SOLANA BLOCKCHAIN.

With INVESTOR FIRST TECHNOLOGY (love of God) ...
We have programmed in RETURNS to anyone
who recognizes aesthetic value.

With special NFT ECONOMIC STRATEGY
we are putting LP tokens inside the NFT.

With FINANCIAL WIZARDNOMICS we are
LPing our token in multiple ways, with multiple pools.
We can go pool for pool...

7STAR is a sister project of RetardedAPR, which itself is a reimagining of
Olympus DAO's OHM for the SOLANA BLOCKCHAIN.
R-APR / 7STAR LP pool goes \$\$\$ burrrrrr \$\$\$
We will LP with every token ... We love you. <3

We can go pool for pool ...
We can go pool for pool ...
We can go pool for pool ...

\$7STAR is a cult coin based around the
iconic Japanese cigarette brand SevenStars.

Retarded APR lurks in the shadows...
growing bigger...

What value will it bring to the
7STAR cryptocurrency asset ... ?

What things are to come ... ?

There are only 777 tokens ...
And you don't own one ???
